St. Louis, MO 63122

Subject: Notification to Add a Conditions of Sale and Warranty Statement
TC 248 PC
EPA Reg. No. 499-510

Dear Ms. Garwood:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated November 1, 2013 for the product TC 248 PC. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action(s) requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-5967 or e-mail me at gaines.jennifer@epa.gov.

Sincerely,

A handwritten signature in black ink that reads "Jennifer Gaines".

**Re: Label Notification (v 3.2) per PRN 98-10 §II.A. – Addition of Conditions of Sale and
Warranty Statement
Whitmire Micro-Gen TC-248 PC, EPA Reg. No. 499-510**

Dear Mr. Baris:

Enclosed in support of this label notification is a completed application (EPA Form 8570-1) and two copies revised labeling (one clean and one highlighted for easy reference).

The label has been revised as follows to add or include:

- A Conditions of Sale and Warranty statement

This notification is consistent with the provisions of PR Notice 98-10 and EPA regulations at 40 CFR 152.46, and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

Thank you for your assistance in this matter. Please do not hesitate to contact me at (919) 659-3930 or jenna.garwood@basf.com if you have any questions or require any additional information.

Sincerely,
BASF Corporation

Jenna Garwood,

ALTERNATE BRAND NAME: "Alpine® Cockroach Gel Bait Rotation 1 piston can" {submitted via Notification 4/17/2013}
ALTERNATE BRAND NAME: Prescription Treatment® brand ADVANCE® Cockroach Gel Bait Piston Can (added via Notification 7/12/06)
ALTERNATE BRAND NAME: Prescription Treatment® brand Alpine® Cockroach Gel Bait Piston Can (added via Notification 5/14/10)

- For Indoor and Outdoor Residential Use
- Continuous Action Formula
- Odorless Bait Formulation
- Easy to Use
- Effective Roach Control

NOTIFICATION

NOV 26 2013

KILLS: Cockroaches

FOR USE IN AND AROUND: Commercial, Institutional and Warehousing Establishments (including computer facilities, food/feed processing plants, hospitals, hotels, laboratories, motels, nursing homes, pet shops, restaurants, schools, supermarkets, sewers, warehouses and zoos), Residences and Transportation Equipment (aircraft, buses, boats/ships and trains)

ACTIVE INGREDIENT:

Dinotefuran, N-methyl-N'-nitro-N-[tetrahydro-3-furanyl)methyl]guanidine0.5%

OTHER INGREDIENTS:99.5%

TOTAL 100.0%

KEEP OUT OF REACH OF CHILDREN CAUTION

See side panel for First Aid and Precautionary Statements.

EPA Reg. No. 499-510 EPA Est. No. 7969-MO-1

NET CONTENTS: _____

FIRST AID

IF SWALLOWED: Call a poison control center or doctor for treatment advice. Do not induce vomiting unless told to do so by the poison control center or doctor. Have person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 – 20 min. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-832-HELP for emergency medical treatment information.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed or absorbed through the skin. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of equipment washwaters.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not puncture or incinerate container. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting. Do not use this product where a possibility of a shock hazard exists.

DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

READ ENTIRE LABEL. Use strictly in accordance with Precautionary Statements and Directions and with applicable state and federal regulations. Apply bait only in areas inaccessible to children and pets.

GENERAL INFORMATION

HOW TC 248 PC WORKS

- TC 248 PC cockroach gel bait contains a powerful food based attractant.
- The attractant draws roaches to the bait.
- Roaches eat the bait, then crawl away to die.

USE RESTRICTIONS

- Keep out of sunlight or excess heat.
- Do not apply bait to surfaces which may reach excessive temperatures. Examples include, but are not limited to: portions of stoves, ovens, grills, fume hoods, steam tables, toasters, fryers, dishwashers and hot water pipes.

See full label accompanying product for complete Directions for Use.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

PESTICIDE STORAGE: Store in a cool, dry place away from heat or open flame and inaccessible to children.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product must be disposed of on site, according to label directions, or at an approved waste disposal facility.

CONTAINER DISPOSAL: Non-refillable container. Do not puncture or incinerate! Do not reuse or refill this container. Empty container by using the product according to label directions. Offer empty container for recycling, if available, or place in trash if allowed by state and local regulations. If container is partly filled, contact your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

CONDITIONS OF SALE AND WARRANTY

Follow the **Directions for Use**. It is impossible to eliminate all risks inherently associated with use of this product, and therefore all such risk shall be assumed by the Buyer. Whitmire warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the **Directions for Use**, subject to the inherent risks, referred to above. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW: (A) WHITMIRE MAKES NO OTHER WARRANTIES EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF FITNESS FOR PARTICULAR PURPOSE OR MERCHANTABILITY, (B) BUYER'S EXCLUSIVE REMEDY AND WHITMIRE'S AND SELLER'S EXCLUSIVE LIABILITY, WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, SHALL BE LIMITED TO REPAYMENT OF THE PURCHASE PRICE OF THE PRODUCT, AND (C) WHITMIRE AND THE SELLER DISCLAIM ANY LIABILITY FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. Whitmire and the Seller offer this product, and the Buyer accepts it, subject to these **Conditions of Sale and Warranty** which may be varied only by agreement in writing signed by a duly authorized representative of Whitmire.

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

READ ENTIRE LABEL. Use strictly in accordance with Precautionary Statements and Directions and with applicable state and federal regulations. Apply bait only in areas inaccessible to children and pets.

GENERAL INFORMATION

HOW TC 248 PC WORKS

- TC 248 PC cockroach gel bait contains a powerful food based attractant.
- The attractant draws roaches to the bait.
- Roaches eat the bait, then crawl away to die.

[Text in this color is currently print-restricted from the marketplace label.]

USE RESTRICTIONS

- Keep out of sunlight or excess heat.
- Do not apply bait to surfaces which may reach excessive temperatures. Examples include, but are not limited to: portions of stoves, ovens, grills, fume hoods, steam tables, toasters, fryers, dishwashers and hot water pipes.

SPOT TREATMENT

To apply gel, insert provided applicator straw into actuator. Apply gel in a 3 – 6 mm diameter spot (0.25 – 0.50 g). Approximately 10 spots per 100 ft² are recommended for use under conditions with low to moderate infestation. For more severe infestations, approximately 20 spots per 100 ft² are recommended. Apply many spots in areas of roach traffic and suspected harborage. Numerous small application spots are preferable to fewer larger application spots. Do not treat food preparation surfaces. Do not apply gel to areas that have been recently sprayed with a repellent insecticide. Do not spray insecticide products over gel placements as this may make gel repellent and reduce its effectiveness. Do not place treatments in locations where routine cleaning might remove bait or transfer bait to food or food preparation surfaces. This product will stick to surfaces that are not dusty or greasy. Reapply if gel placements are no longer visible and/or reinfestation occurs. Use paper towel to remove unwanted bait placements and then discard in trash.

CRACK & CREVICE® TREATMENT

This product can be applied as spots or as a line along cracks and crevices. Gel bait should be applied directly into cracks and crevices where insects hide. Place the applicator straw directly into cracks and crevices and deposit gel in small spots or in a continuous bead. Bait should be in the void area and not on open or exposed surfaces.

FOOD HANDLING ESTABLISHMENTS

Application within food areas of food handling establishments is limited to cracks and crevices where insects hide. To apply gel, insert provided applicator straw into actuator. Apply gel in a 3 – 6 mm diameter bead (0.25 – 0.50 g). Approximately 10 bait placements per 100 ft² are recommended for use under conditions with low to moderate infestation. For more severe infestations, approximately 20 bait placements per 100ft² are recommended. Numerous small applications are preferable to fewer larger applications. Bait should not be used in open areas or on surfaces where contamination of food or food handling equipment may occur.

Reapply gel if previous applications are no longer visible and/or reinfestation occurs.

APPLICATIONS IN AIRCRAFT

Application within passenger areas of aircraft is limited to Crack & Crevice treatment only. Apply TC 248 PC in areas between elements of construction (such as areas under sinks, openings around pipes, under shelving, where shelving meets other shelves or the wall, area between and around microwaves, where support braces attach to the main structure and where seats are attached to the floor). Apply 10 – 20 bait spots per 100 ft² as described above. Do not apply bait to areas where food, utensils or food preparation surfaces may become contaminated. Do not apply bait to areas that are routinely washed such as cracks and crevices in tops of tables, food preparation and food holding surfaces as bait may be removed by washing. Care should be taken to avoid depositing gel onto exposed surfaces. If gel contacts an exposed surface, remove gel and wash exposed surface. During follow-up visits, inspect bait placements and reapply when previous applications are no longer visible and/or reinfestation occurs. Do not apply any bait in cockpit area.

OUTDOOR USE

Use for control of cockroaches. Inject into cracks and crevices around windows and doors, porches, screens, eaves, patios, garages, under stairways and other areas adjacent to structures where cockroaches may find harborage.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

PESTICIDE STORAGE: Store in a cool, dry place away from heat or open flame and inaccessible to children.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product must be disposed of on site, according to label directions, or at an approved waste disposal facility.

CONTAINER DISPOSAL: Non-refillable container. Do not puncture or incinerate! Do not reuse or refill this container. Empty container by using the product according to label directions. Offer empty container for recycling, if available, or place in trash if allowed by state and local regulations. If container is partly filled, contact your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

CONDITIONS OF SALE AND WARRANTY
